

## STOMATOLOGY – exam box slides

Labium oris (trichrom) - *lip*

Radix linguae - *tongue*

Dorsum linguae HE - *tongue*

Dorsum linguae (trichrom) - *tongue*

Gl. parotis - *parotid gland*

Gl. sublingualis - *sublingual gland*

Gl. submandibularis - *submandibular gland*

Oesophagus

Ventriculus - *stomach*

Duodenum

Appendix vermiformis

Hepar - *liver*

Pancreas

Dens - *tooth*

Dentes - fetus - *teeth*

Palatum molle - *soft palate*

Epiglottis

Trachea

Pulmo - *lung*

Ren (HE) - *kidney*

Ren (impregnace) - *kidney*

Vesica urinaria - *urinary bladder*

Testis

Prostata - *prostate*

Ovarium - *ovary*

Tuba ovarica - *uterine tube*

Endometrium

Placenta

Funiculus umbilicalis - *umbilical cord*

Hypophysis (trichrom) - *pituitary gland*

Gl. thyreoidea - *thyroid gland*

Nodus lymphaticus - *lymphoid nodule*

Tonsilla palatina - *palatine tonsil*

Thymus

Arteria + vena

Aorta

Myocard

Planta pedis - *sole of the foot*

Axilla

Medulla spinalis - *spinal cord*

Cerebellum

Nervus periphericus - *peripheral nerve*
